

ROLE CARD

mock debate: a trilateral project about integrating
refugees on the labor market

Role card of: Ali Hassan

information:

works as a young politician side by side with his sister fighting for refugees and their rights.

character traits:

- is 30 years old
- born in France
- has refugee parents from Syria
- was inspired to fight for the refugees' rights, because saw his parents struggle to find their jobs due to racism and prejudice

position in the debate and towards others:

- Is kind and patient towards others
- can get aggressive when talking about personal topics (for example: refugee crisis)

goals:

Having parents who struggled to find a job because of their background was something that marked his childhood. For this reason, helping refugees is one of his top priorities. The goal is to make the transition from their home country to France easier, to do that, validating their degree in the newly arrived country would make things easier.
